I. CONNECTEDNESS WITH COMMUNITY	STRONGLY AGREE	AGREE	DISAGREE	STRONGLY DISAGREE	NEUTRAL	NA/DK	AVE.
44. Our organization is part of a larger network of groups with							
similar purposes and values.							
45. Our organization's success and positive impact depends on how well we are working with other groups, organizations, and							
initiatives. 46. We seek feedback about our work from the people and							
communities most impacted by the challenges our work tries to address.							
47. When we make major decisions in our work, we consider the guidance and direction from people and communities most impacted by the challenges our work tries to address.							

J. ORGANIZATIONAL REFLECTION AND CARE	STRONGLY AGREE	AGREE	DISAGREE	STRONGLY DISAGREE	NEUTRAL	NA/DK	AVE.
48. We spend time together reflecting on how we are working							
together (e.g. in terms of communication, decision-making,							
conflict and feedback, etc.).							
49. We spend time together engaging in self-care practices (e.g.							
walking, meditation, yoga, singing, somatics, dancing, storytelling,							
etc.).							
50. We have fun in our organization (e.g. there's laughter, joy, or playfulness).							
51. We have collective practices to support coworkers who are experiencing particular challenges (e.g. grief, trauma, illness,							
hopelessness, etc.).							
52. We take time out to recognize or celebrate our							
accomplishments.							
53. We have opportunities to meaningfully share with each other							
our personal cultures and social identities (e.g. food, pictures,							
stories, activities, etc.).							
OPEN-ENDED J1: What reflection or self-care practices does you	organiza	L ation do t	I ogether?

K6: Are you able to show up at work as your authentic self? Why or why not?

K7 :How do your social identities impact what it is like for you to work at your organization? (Again, please note that your responses are confidential and will not be shared in a way that you can be indentified.)

K8: What did we not ask that you think is important for us to know? What haven't you yet shared out loud?
